

This is a case where enthusiasm is all right. We know what the best is and we know we have the best (for the price) in Hats, in Shoes, in clothing, in Furnishings, in travelers' supplies. Now, if this is the grade you want, we want you. By the best we don't mean the highest in price—we mean the best Hats there are in Richmond at \$5.00 and up to \$12.00, the best Shoes at \$3.50 and \$5.00 to be found anywhere; and the best Suits at \$10 and up to \$30 to be found in this country. In short, Berry's is the place to bring your clothing needs.

Heavy Fighting Near Port Arthur.

Scribes Must Remain at Mukden.
(By Associated Press.)
WASHINGTON, D. Believe Fighting to Have Occurred at Kin Chou.
(By Associated Press.)
ST. PETERSBURG, May 25.—4:15 P. M.—The last reports received by the general staff from Lieutenant Stoessel, dated May 19th, say no Japanese troops had landed till then below Kin Chou. While the war office does not discredit the persistent rumors of fighting at Kin Chou, it has no information of any collision since May 18th, when General Fock made a reconnaissance in force to determine the strength of the Chinese. The general staff is inclined to believe that it will require some time for General Oki to prepare for active operations against Port Arthur. Siege guns are considered an absolute prerequisite, as the water at Kin Chou is too shallow for permit heavy weapons to get within effective range.

The movements of the Cosacks in rear of General Kuroki are being carefully guarded. There is no official confirmation of the reports that the Japanese have abandoned Feng Wang Cheng.

PORT ARTHUR BOMBARDED.
Frenchman Reaches Chee Foo and Reports That Japanese Have Made an Attack.

(By Associated Press.)
CHEE FOO, May 25.—10 P. M.—A portion of the Japanese fleet bombarded Port Arthur at 11 o'clock yesterday morning. The attack was witnessed by a Frenchman, who left Dally on the night of the 24th, arriving here to-night. He says that eight large warships circled before the entrance of Port Arthur harbor for one hour, firing broadsides at intervals of ten minutes. Up to the time this Frenchman left Dally everything was quiet there, but an attack on the part of the Japanese was expected hourly. The military and civil officials of Dally were ready to leave. Only a few civilians remain there.

The attempt made about a fortnight ago to destroy the docks and piers of Dally was not successful, and after the receipt of the news of the loss of the Japanese battleship Hataze, Lieutenant-General Stoessel, commander of the military forces at Port Arthur, ordered that the docks and piers be destroyed. The Japanese, however, refused to march down either side of the peninsula toward Port Arthur. The German steamer Chee Foo was fired on by a Japanese cruiser in Pechili Gulf to-day, she misunderstood the signals of the cruiser. The Swedish steamer Karin also was fired on during last night while off Liao Tie Shan promontory, but it is not known whence this fire came.

Fine Sport Promised at Broad Street Park on Saturday.

Two games will be played at Broad Street Park between Twin City League clubs on Saturday afternoon, beginning at 2:30 o'clock.

The first game will be between the Brownies and the Pontiacs. Immediately afterwards the Richmond and Imperials will contest.

On Monday, Memorial Day, a national holiday, the Richmond and Brownies will cross bats and Swansboro and the Olivers will meet.

BROOKLYN HANDICAP

Great Turf Event Will be Pulled Off To-day at Gravesend Park.

MANY FAST HORSES ENTERED

(By Associated Press.)
NEW YORK, May 25.—With perfect weather in prospect, and at least a dozen high-class thoroughbreds sure to start, the great Brooklyn handicap to-morrow at Gravesend Park, promises to be one of the greatest running races ever seen on the American turf.

The distance is one mile and a quarter, and the purse is valued at \$20,000. Seldom, if ever, has this event called out horses of class so high, and the official handicapper was flustered so closely on weights that racing authorities admit they are unable to reach satisfactory conclusion as to the result.

Irish Lad, from the stable of Herman B. Duray, winner of last year's Brooklyn Handicap, owned by E. R. Thomas, McChesney, in the colors of E. S. Smith, "The Picket," from the Waldeck stables, and Africander, bearing the Hampton stables' colors, make up the most talked of group in the list.

McChesney has been somewhat backward in his work, but Mr. Smathers was so well satisfied with his work to-day that the great five-year-old will undoubtedly race the starter to-morrow. Irish Lad, with his advantage in the weights, is favorite, but his work since he won a late year, has not been entirely satisfactory.

However, Irish Lad has shown his best qualities in actual contests and Trainer Rogers has every confidence in him.

Since the rather sensational mile in 1:39 1/2, made at Morris Park, last Saturday, by Hermis, formerly thought to be a late year, Mr. Thomas's entry has arisen wonderfully in public estimation, and he, with Irish Lad, McChesney and The Picket, should furnish one of the grandest exhibitions of speed ever seen in this country.

The hope of the Western horsemen is in The Picket, winner of last year's American Derby. He has been specially pointed for the Brooklyn. His speed trials have been little short of sensational.

BROOKLYN HANDICAP.
Tenor of the Odds From the O'Leary Forecasts.

The "tips" as sent out by James O'Leary, the famous Chicago turfman, on the Brooklyn handicap, which takes place to-day, are as follows:
Irish Lad, four, two and even; McChesney, Africander, six; Hermis, The Picket, eight; Bunbells, Claude, Hursbourne, Highball, Proper, fifteen; City Bank, Savable, Toboggan, Short Horse, twenty; Mizzen, Orthodox, Lord Badge, Careless, Major Daingerfield, thirty; Ostlich, Buttons, forty; Red Knight, fifty.
